Dear Parents of Griffin Christian School,

Priority open enrollment for returning students and their siblings has begun. We are thankful that you have chosen us to partner with you in your child's educational journey. We have enjoyed having your family as a part of our Griffin Christian community and hope that you will prayerfully consider joining us again for the 2021-2022 school year. Please remember that every year you must register again during open enrollment for the upcoming school year by completing the enclosed form. Our early Registration fee is \$150 if paid by April 1<sup>st</sup>. After April 1<sup>st</sup>, the registration fee increases to \$250.00. Because of the fluctuations with remote learning in public school we anticipate higher than usual enrollment volume, and I encourage you to submit your enrollment form and registration fee by February 8<sup>th</sup>. On this date, registration will be open to the public and enrollment will continue until each class is filled.

For the upcoming year, we will be offering a year-long Remote Learning option through an online Christian curriculum and learning management system. All high school credits will be accepted for graduation. Parents who choose this option for their student must commit to a full year of remote learning. Please keep in mind that any requests for remote learners to transfer back into a traditional classroom environment will be made based on the number of seats available in the class at the end of the semester. Remote Learners will continue to have access to chapel services, clubs, sports, and extracurricular activities.

You may enclose the form and fees in an envelope and drop it by the school office beginning immediately. Families who have one child already enrolled in GCS, and who want to enroll a second child who does not already attend GCS, may also be register them at this time. Please note that tuition fees have changed for the 2021-2022 school year. We will continue to give tuition assistance for sibling groups, and we do offer partial scholarships for students, with priority given by financial need. The application deadline for tuition assistance is April 1<sup>st</sup>. Tuition assistance applications must be resubmitted each school year. For further information about the process to apply for tuition assistance, please email [bjones@griffinchristian.org](mailto:bjones@griffinchristian.org).

**We cannot consider any child's registration until all accounts are current. Should someone register with outstanding fees owed, the date of registration would be the date that the account becomes current.**
